1. Current Medicaid law regarding LPEs	Members met to discuss current Medicaid billing regulations. The law change that was to include LPEs to bill for direct services did not pass as anticipated in January 2015. In order for this to happen another bill will need to be presented to the legislature. The deadline for this was March 9. The 2016 session will be fiscal only. The 2017 session will be the next session where a bill could potentially be submitted for approval by the legislature. AAMP will continue to research this process in the coming months.	<p>Research most recent Medicaid Bill</p> <p>Research “any willing provider” language</p> <p>Research “licensed mental health professionals” language in law</p>	<p>Foster Lee</p> <p>Nancy Beach</p> <p>Michelle Harvey</p>
